Findings

Mr. Hathodwal budget for loan repayments meets with two banks respectivley Y axis bank and CBI bank.
Left Join bank doesn't match because the EMI is slightly higher than the budget for loan repayment.
As a Data analyst I would suggest Mr.Hathodwala to choose either Y axis bank or CBI bank
In addition to that , As per the findings Choosing Y axis bank adds the advantage than the CBI bank.
It aligns with the overal goals and that is listed below to take a effective decision.

Y axis benefits

The tenure period is less which complets loan payment when compared to CBI bank

CBI Bank benefits

The EMI amount is lesser than the previous bank and less in Interest rate
